Victory Apostolic Seniors Ministry

The favor of the Lord is upon those with longevity. Therefore, the Church should be a place where the role of seniors is significant as leaders, spiritual mentors and prayer warriors. Senior members and friends of Victory Apostolic Church will have the opportunity to experience a sense of community and fellowship while continuing to grow spiritually in the knowledge of our Lord and Savior.

Furthermore, continued service in kingdom building at Victory can contribute to living a fulfilled life with purpose. Consequently, the senior over 60 that has the time and passion for serving others will discover that the rewards can be mutually gratifying.
