invitation

Are you a member of Victory Apostolic Church or a regular guest and have not become involved within the life of our church through affiliation with one of our many ministries, auxiliaries or special events projects?

If this sounds familiar, we extend an invitation to you to have a Group Life Experience. You will be connected with others who are seeking to grow closer to God while taking the time to determine their spiritual gifts prior to serving at Victory.

about us

The mission of Group Life is to **connect** members and guests through **worship** and fellowship; by **transforming** lives through Christian education and by **involvement** utilizing spiritual gifts in service to the church and others.

Group Life has a relational focus that fosters a sense of community among members through life enrichment groups of members with similar interests, who reside within the same geographic boundaries.

Group Life will not take the place of Sunday Worship Services, Bible Class or Sunday Morning Christian Education. Also, Victory 's Groups are not "Therapy Groups" nor a substitute for professional clinical intervention.
