A Community of Believers and Seekers for the Unmarried

Mission Statement

The goal of the Singles' Ministry is: 1) To reflect the mission and vision of Victory Apostolic Church; 2) To be all inclusive and eliminate the barriers, myths and stigmas associated with being unmarried; and 3) To maintain a governing body that will seek to facilitate a spiritual environment where individuals have an opportunity to experience full acceptance and belonging regardless of one's marital status within the Body of Christ.

Whereby, the Singles' Ministry will uphold God's Word found in St. John 17:20 when Jesus said " My prayer is not for them alone. I pray also for those who will believe in me through their message, that all of them may be one."

Whether never married, divorced, widowed, a parent, young, middle aged or an older adult, Victory Apostolic Church is committed to ministries that support the spiritual and personal development of members that are unmarried.

The Singles' Ministry is **NOT** a dating club, though individuals may establish a meaningful relationship leading toward marriage. Therefore, the primary focus of the members of the Singles' ministry **should not** be viewed as an avenue to approach others without mutual consent. Consequently, all singles whether young or older should experience a spiritual and social environment where God can be glorified!

MINISTRY COMPONENTS

Singles Cafe'

Singles have the opportunity to connect in a venue that offers Fellowship, Christian Music, the Spoken Word and Poetry Reading as well as professional networking.

Special Events

Singles seeking fellowship through Church sponsored Annual Events, Dinner, Theatre and Sports are encouraged to sign-up during open registration.

International & Community Humanitarian Network

Volunteering as a servant worker to feed and clothe the homeless, construct homes and participate in third world mission projects are a few of the opportunities awaiting singles who have a servant's heart.

Mentorship

Singles are matched with Mentors from the Journey Sisters Mentoring or Men Mentoring Men ministries who seek a connection with a spiritual role model who is dedicated to providing personal, professional and spiritual support as well as guidance. Mentors are not therapists. Consequently, individuals will be encouraged to refer to the Counseling Ministry when professional intervention is indicated.

Sunday Morning Christian Education

Singles have an opportunity to participate in spiritual curriculums that offer life applications for daily living. Classes are held during the fall and spring.
