Finally, brothers and sisters, rejoice!  
Strive for full restoration, encourage  
one another, be of one mind, live in peace.  
And the God of love and peace will be with you.

- 2 Corinthians 13:11 -

## Mission

W.O.V.E.N., the Women of Victory Empowerment Network, in an effort to support the “Building of Victorious Christlike Lives,” endeavors to offer spiritual and personal development encounters to our community of sisters through classes, workshops, retreats, and social activities.

## Purpose

Women of all ages will have an opportunity to serve the body of Christ through community service efforts, while experiencing a sense of sisterhood, fellowship, and friendship. As we “...grow in the grace and knowledge of our Lord and Savior Jesus Christ” (2 Peter 3:18), we will discover a commonality in interests and life experiences that foster support and encouragement to remain true to self and God.

*Finally, brothers and sisters, rejoice! Strive for full restoration, encourage one another, be of one mind, live in peace. And the God of love and peace will be with you. - 2 Corinthians 13:11*
