Victory Apostolic Church Scholarship Committee's
Top 10 Reasons Why You
CAN NOT
Turn In Your Scholarship Application
LATE!

- For you to be allowed to turn in your application late is an offence to those who made sure that they got theirs in on time. It's just not fair.
- If this were another organization other than a church, you probably wouldn't even ask for special consideration.
- Since this is a church you may feel there should be some grace shown towards you if you miss the deadline. However, on the flip side, since this is a church there has to be some integrity in the process which would be destroyed if you are allowed to break the rules.
- You jeopardize the relationship you have with the person you ask to break the rules for you. Asking them to accept your application late is asking them to break their personal integrity for your benefit. No committee member wants to break their personal integrity sneaking in an application after the deadline for anyone including their family members.
- In the history of the program, the Senior Pastor, the Pastors, the committee members, their children, family nor friends have been given any extensions or special consideration.
- If you wait until the deadline to turn in your application, you risk not being able to obtain one of the necessary documents for your application to be complete. Any late or missing document automatically disqualifies your application from consideration.
- **YOU DON'T HAVE TO WAIT UNTIL THE DEADLINE TO TURN IN YOUR APPLICATION. YOU CAN TURN IT IN EARLY!** Scholarship committee members are available 2 weeks prior to the deadline to answer questions and take in applications for those who want to submit them before the deadline. That means you have 3 opportunities to turn it in.
- For parents, this is a teachable moment about the importance of meeting deadlines in college, the workplace, and life. Don't miss the opportunity to teach this lesson by making the church, the scholarship committee nor its members the bad guys. Our youth need to learn responsibility if they are going to be productive adults.
- As the old saying goes, "A lack of planning on your part does not constitute an emergency on our part!" The applications are available for 2 months prior to the due date which is plenty of time to obtain all the necessary documents and submit a completed application.
- Applicants can receive only one scholarship award at each level, i.e. High School, College, Graduate School.
- We don't bend our rules to accommodate excuses.

PLEASE MAKE SURE YOU GET YOUR COMPLETE APPLICATION IN ON TIME!

General Information – Read Carefully!

- Request your two letters of recommendation and your transcripts **immediately** to avoid any delay in the application process.
- Applicants are graded on a point system, therefore it is **imperative** that you complete all the information required, including your high school positions in any organizations, as well as the dates you were involved.
- You must have a 2.5 G.P.A. to qualify for any of the scholarships being offered.
- You must be a member of Victory Apostolic Church by November 30th of the previous year to qualify.
- A check list has been provided for your convenience, so you can make certain that all parts of your application are complete.
- There will be no exceptions to the deadlines listed in these forms. **DO NOT LEAVE YOUR APPLICATION IN THE CHURCH OFFICE**; it will not be received by the committee.
- Your check list and application will be validated by a committee member and a dated acknowledgement receipt will be given.
- Please be aware that you are expected to attend the Baccalaureate Ceremony. If for some reason you are unable to do so, you must plan to send a representative on your behalf. If you have any questions, please do not hesitate to call Pastor Martin Stratton Jr. @ (708) 283-0383.**
